Harrisburg, Pa.-based Best Companies Group identifies the leading employers in the insurance industry by conducting a free two-part assessment of each company. The first part is a questionnaire completed by the employer about company policies, practices, and demographics. The second part is a confidential employee survey on engagement and satisfaction.

The program divides employers into the categories of small, 25-249 employees; medium, 250-999 employees; and large, 1,000 or more employees. This year's report features 100 companies of various sizes, from 25 employees to more than 4,000.
